MEMORANDUM FOR: Acting Assistant Director, OSA

SUBJECT: OSA Headquarters Notice No. 10-22

1. This memorandum contains a recommendation for your approval in paragraph 3.

2. Several recent incidents effectively underscore the importance of having OSA Project personnel, whether at Headquarters, in the field, or in industry, consistently make known their whereabouts to their supervisors. The OSA Security Staff is taking appropriate actions with reference to individuals connected with private contractors to assure conformity with this requirement. It is felt that an OSA Notice would help this cause here at Headquarters.

3. It is recommended that you sign the attached notice on the subject of unreported absences.
